

Benchmarking Data on 2025 Promotional Plans, Investments, Tactics, and Strategies

By Claire McBride // November 11, 2024 // Benchmarks, Briefings, Research

TL;DR: Stratably's latest research shows 2025 will be even more promotional than 2024, primarily via general price discounts and tentpole events.

7 minute read

We're in the thick of holiday and Q4, and you don't have to go far to notice the highly promotional environment.

A net 33% of brands report a more aggressive promotional environment at [Walmart](#) right now compared to last year, and our early reads on Amazon tell a similar story.

But what will next year bring?

If you're looking forward to moving on from holiday to a less promotional 2025... think again.

Read on to understand brands' promotional plans for 2025, including:

- Promotional levels compared to 2024
- Types of promotions receiving the most investment
- Key challenges in managing promotional intensity across retailers
- Optimization strategies to get the most out of promotional investments

We also recommend checking out our recent [webinar](#) that provides additional insights and actionable tactics on the promotional environment for 4Q and 2025.
